2024 Great American Insurance Group/USDF Regional Championship Program Rules

The Regional Championship program rules published herein are effective for the 2024 Regional Championship year, unless otherwise stated. The program rules and qualifying criteria published herein are subject to additions or revisions.

While every effort has been taken to avoid mistakes in this publication, the United States Dressage Federation Inc. assumes no liability to anyone for errors or omissions. USEF rules supersede all other rules when qualifying for this championship program.

USEF rules are subject to change at any time. Changes and corrections subsequent to this publication are published in the USDF Connection and on the USDF website.

Refer to the United States Equestrian Federation's website for official rule changes and the most up-to-date version of their rulebook.

A single Regional Dressage Championship program organized by the United States Dressage Federation (USDF), and licensed by the United States Equestrian Federation, Inc. (USEF), will be held in each of the nine USDF regions. In addition, Alaska and Hawaii may each hold state championships if an official request from a Group Member Organization (GMO) is received by April 1 of the prior year.

The 2024 Regional Championships will be sponsored by the Great American Insurance Group (Great American), as the title sponsor. The official title of the Regional Championships shall be:

GREAT AMERICAN INSURANCE GROUP/UNITED STATES DRESSAGE FEDERATION

A Regional Championship is a Level 4 Competition. FEI Junior Team Test and FEI Young Rider Team Test championship classes must also be offered. Freestyle classes at First, Second, Third, Fourth, Intermediate I, and Grand Prix levels must also be offered in the open/junior/young rider division and adult amateur division.

The official prize lists for all of the Championships will be available on the USDF website no later than May 1st.

For the remainder of this document USEF/USDF championship classes will be considered the same as Great American/USDF championship classes.

* PMs are USDF members who join USDF directly. USDF Group Members (GM) are ineligible.

B. QUALIFYING CLASS AND CHAMPIONSHIP ELIGIBILITY

1. Having won a USEF/USDF Regional Championships three times (in any region over their lifetime), a horse/rider combination may no longer compete in USEF/USDF Regional Championship competition at that or a lower level (Grand Prix excepted), if they received the minimum qualifying score or higher for that division and level in the championship test per USEF DR127.5.
2. A horse may not be entered in more than one USEF/USDF Regional Championship at a particular level in the same calendar year.
3. USDF will presume qualified horse/rider combinations will compete in the region in which the rider resides as determined by the address associated with the rider's membership information on file as of July 1. Riders are NOT required to be a resident of the region to compete in that region's championship. Riders who wish to compete at Regional Championships in a region other than their region of residence, must submit a Change of Region Form. This form must be submitted with a \$25 fee prior to July 1. Change of Region Forms may be accepted from July 2 up to August 1, with a fee of \$100; from August 2, up to the closing date of the championship region the rider is declaring for, with a fee of \$300. **No changes of region may be made after the closing date of the region in which a rider wishes to enter, for any reason.** In addition, all persons living outside of the United States, who intend to compete in a Regional Championship, must submit a Change of Region form and applicable fee to USDF to declare a region.
4. A rider may not compete in more than one Regional Championship competition in the same calendar year.
5. In the event a competitor is unable to produce copies of the USDF membership or lifetime horse registration documents required to enter a qualifying class, a USDF competition affidavit with appropriate fee may be completed and filed with the competition secretary. The affidavit and appropriate fee must be submitted to USDF by the competition secretary. Copies of the required memberships and registrations MUST be included with the championship entry. Affidavits will not be accepted for USEF or USDF membership or horse recording verification purposes for entry in championship classes.
6. Horses must be entered in qualifying and championship classes under their official recorded names and ownership as specified in USEF GR1102.3, and transfers of ownership or lease registrations must be completed in compliance with USEF rules GR1105 and GR1108 prior to the competition in order for the horse to compete under the name of the new owner or lessee. (USEF DR127.2)

C. QUALIFYING SYSTEM

1. There is currently one qualifying system with nationally-standardized minimum percentages (see Section D for qualifying percentages).
2. Prior to competing in a Great American/USDF qualifying class, a horse/rider combination must be eligible according to the USDF/USEF membership and registration requirements for qualifying.
3. To qualify for a Regional Championship, horse/rider combinations must earn a total of two qualifying scores (each score must be the average of all judges officiating in a designated Great American/USDF qualifying class), at two different USEF-licensed/USDF-recognized Dressage Competitions, from two different judges, or combination of judges. In addition, the same judge may not have officiated in classes from which qualifying scores are earned, unless the following conditions are met: A panel of judges will be considered as a different judging entity if 50 percent or more of that panel is changed (e.g. a panel of two judges must have one new person, a panel of three judges must have two new people and a panel of five judges must have three new people; exception, CDI panels exempt from this requirement. Scores earned where CDI panels officiate are eligible to be used for qualifying if there are no changes to the judging panel in two separate CDI competitions where both scores are earned).
4. To qualify, eligible riders must enter an official Great American/USDF qualifying class at a USEF-licensed/USDF-recognized Dressage Competition. The Great American/USDF qualifying class will be the highest or single test of the level and the class must be designated as Great American/USDF qualifying in the prize list.
5. To qualify at freestyle, riders must earn a total of two freestyle qualifying scores at the level at which they wish to qualify, earned in designated Great American/USDF qualifying classes, at two different USEF-licensed/USDF-recognized Dressage Competitions from two different judges or combinations of judges as described in Section C.3. ***All FEI Pony Rider are equivalent to Second Level; all FEI Junior Rider Tests are equivalent to Third Level; all FEI Young Rider Tests are equivalent to Prix St. Georges; and the USEF Brentina Cup (Young Adult) Test and FEI Young Rider Grand Prix 16-25 Test are equivalent to Intermediate II. For purposes of freestyle qualification, all are considered equivalent to the highest test of that level and may be used to enter a freestyle at that level or a level below. Young Horse and FEI Children Tests cannot be used for freestyle qualification at any level.***
6. Horse/rider combinations may enter more than one qualifying test, and qualifying freestyle, at each level per day as Great American/USDF qualifying. (USEF DR 127.4)
7. Eligible competitors must be given the option to enter the class as "USDF qualifying" for a maximum additional fee of \$15 which must be paid to the show secretary prior to riding in the class.
8. USEF/USDF qualifying and/or championship classes must be designated as such in the prize list and the results. (USEF DR127.4). The \$15 qualifying fee will be sent to USDF from the show secretary along with the Report of Fees. All qualifying rides must be marked as such in the results. Once qualifying fees are received by USDF they will not be refunded to competitors for any reason. All regional championship qualifying fees paid to show management must be submitted to the USDF, including fees from riders that scratched, were eliminated, excused or did not show up for the class. Exceptions: Competition Refund policy must clearly state that these fees will be refunded to the competitor; or fees are reapplied to cover indebtedness to the competition not paid by the competitor.
9. Separate ribbons or trophies are not awarded for Great American/USDF qualifying entries.

10. Any and all eligible horse/rider combinations who achieve the minimum qualifying score in a Great American/USDF qualifying class will receive one qualifying score toward their two score requirement to be eligible to enter a Regional Championship if all other conditions are met.
11. FEI classes at CDI/CDI-Y/CDI-J/CDI-P or USEF High Performance qualifying competitions must be designated as Great American/USDF qualifying in the prize list in order for classes to be counted as qualifying by USDF. Prior to riding in the class, riders must pay the qualifying class fee to the competition secretary.
12. USDF will presume qualified horse/rider combinations will compete in the region in which the rider resides as determined by the address associated with the rider's membership information on file as of July 1. Riders are NOT required to be a resident of the region to compete in that region's championship. Riders, who wish to compete at Regional Championships in a region other than their region of residence, must submit a Change of Region Form. This form must be submitted with a \$25 fee prior to July 1. Change of Region Forms may be accepted from July 2 up to August 1, with a fee of \$100; from August 2, up to the closing date of the championship region the rider is declaring for, with a fee of \$300. **No changes of region may be made after the closing date of the region in which a rider wishes to enter, for any reason.** In addition, all persons living outside of the United States, who intend to compete in a Regional Championship, must submit a Change of Region form and applicable fee to USDF to declare a region.
13. There is no limit on the number of horses on which a rider may qualify.
14. Qualification is based on horse/rider combination. If a new rider wishes to compete with the horse at the championships, she/he must requalify. (USEF DR127.9)
15. One whip no longer than 47.2 inches (120 cm), including lash may be carried in all qualifying classes (including NAYC) unless such use is otherwise prohibited by FEI or Federation rules or selection procedures for the classes. (USEF DR120.7) An adjustable-length whip may not be carried by a mounted rider.
16. Tests may be read in qualifying classes except in FEI level classes and freestyle classes.
17. Qualifying seasons vary for each region. The season during which scores may be earned to qualify for a particular Regional Championship starts the day after the closing date of that region's 2023 championship and ends on the closing date of that region's 2024 championship. Horse/rider combinations may earn qualifying scores in another region but only at shows within the current qualifying year of the region in which that show is held.
18. The closing date of each Regional Championship will be the fourth Monday prior to the start of the Regional Championship competition. Competitions will count for only one calendar year's championship. The qualifying year of each competition is based upon the location of where that show is held, not the region the rider wishes to compete in.
19. USDF will maintain a database of qualified horse/rider combinations and will post a provisional list for each level and division on the USDF website. USDF will verify eligibility of championship class entries with the championship's secretary prior to each championship's competition. Post entries may be submitted by qualified horse/rider combinations in championship classes if post entries for championship classes are allowed in the prize list of the competition.

D. MINIMUM QUALIFYING SCORES

E. CHAMPIONSHIP RULES

1. All Regional Championship competitions are considered Level 4. Please refer to USEF Dressage Level Requirements for specifics. (USEF DR126.4)
2. Each entry must designate the division being entered (open, adult amateur or junior/young rider) and must meet minimum percentage requirements for the championship division entered.
3. Cross entering open and junior/young rider divisions or open and adult amateur divisions for a horse/rider combination is permitted at adjacent levels. It is not permitted at the same level. Exception: freestyle or equivalent FEI Junior or FEI Young Rider levels.
4. If a rider intends to enter a Regional Championship as an adult amateur, the rider must be an adult by the current USEF definition (DR 119.3) and a current amateur by the USEF definition. (USEF GR1306, 1307)
5. If a rider intends to enter a championship as a junior/young rider, the rider must be a junior/young rider by the current USEF definition and her/his birth date must be on file with USDF by July 1 of the championship year.
6. Verification of USDF/USEF membership cards and horse recording and registration certificates must accompany championship entry (USDF PM for rider, USDF PM or BM for owner, etc.)
7. Under penalty of elimination, whips may not be carried in championship tests (Exception: Competitors riding sidesaddle may carry a whip no longer than 47.2 inches (120 cm), including lash, in USEF/USDF Championships.) An adjustable-length whip may not be carried by a mounted rider.
8. Under penalty of elimination, all championship tests must be ridden from memory. (USEF DR122.1)
9. The gate at "A" may be left open for every USEF/USDF championship ride. Decisions to either close the gate or leave it open must be consistent for all championship classes. Each Regional Championship competition management must publish in its official prize list if the gate will be closed in championship classes. (USEF DR126.2.f.5)
10. Under penalty of disqualification from all championship classes for the horse/rider combination, within 24 hours prior and at no time during a USEF/USDF Regional Championship competition may any horse entered in that Championship competition be ridden by anyone other than the rider entered in the Championship competition on that horse (exception: grooms riding on loose rein). Further, any horse entered in a championship competition, even entered at two levels, must be ridden by the same rider throughout competition. (USEF DR127.6) (NOTE: This applies throughout the entire competition, even after a horse has completed its championship classes.)
11. In the event of a tie (equality of total points) for champion and/or reserve champion in USEF/USDF championship classes, the collective marks **after coefficients have been applied** will determine first, second, and/or third or all three places; (i.e. when a tie for first place is broken by collective marks, tied competitors will receive first and second places, etc.). If collective marks are equal, the tie will remain unbroken (i.e. two first places will be awarded next third place, etc.). For ties in freestyle classes refer to USEF DR129.5 which states the highest score shall be declared the winner of the class. In the case of a tie, the higher artistic score shall determine the winner. **Should the artistic mark be the same, the higher mark for harmony will decide. If still tied the higher mark for choreography will decide.** Ties (equality of total points and **total collective marks after coefficients have been applied**) after second place will be broken by collective marks. Ties (equality of total points and **total collective marks after coefficients have been applied**) occurring in third through eight places will remain unbroken. In the case of a tie (equality of total points and **total collective marks after coefficients have been applied**) for champion, prize money designated for champion and reserve champion will be combined and divided equally between the two competitors.
12. Hors de Concours entries are not permitted in USEF/USDF championship classes. (USEF DR119.5)
13. In a USEF/USDF championship class, the horse/rider combination must obtain the necessary minimum percentage score to be named champion or reserve champion. (USEF DR123.7) If the highest placed horse/rider combination receives less than the minimum percentage, no championship awards or prize money will be issued, however an awards ceremony will be held for the entire class. In lieu of a champion and/or reserve neck sash, a first and/or second place ribbon will be awarded.
14. In USEF/USDF championship classes, a steward must be appointed to check the saddlery, bits and spurs, on both sides of each horse immediately after it has completed its test and has left the arena. Any discrepancy to the saddlery rules will result in immediate elimination. (USEF DR126.2.i.6)
15. A Registered (R) Dressage Technical Delegate (TD), who is a current Participating Member of USDF, is required to officiate at USEF/USDF championships. TDs for competitions offering qualifying and/or championship classes must investigate incidents of non-compliance and report violations to USEF. "R" Dressage TDs hired to officiate Regional Championship classes must be selected from outside the region. This applies only to the primary competition TD, who is the person responsible for filing the TD report for the competition with USEF. (See section H.3.c, and USEF GR1018.3 and DR127.3)
16. Entries in USEF/USDF dressage championship classes are limited to competitors who have met the qualifications, membership, horse recording and registration requirements, and deadlines outlined in USEF DR127 and published by USDF. Competitors who are properly qualified, whose completed entries are received by the closing date for a particular Regional Championship, and who have complied with all championship rules may not be denied entry into the Regional Championship classes for which they have qualified.

- Only one class per division and/or level may be held to determine USEF/USDF regional champions. (USEF DR127.7)
17. USEF/USDF championships classes may not be split. (USEF DR126.2a.4)
 18. Championship classes for juniors and young riders must only be held on Friday, Saturday, and/or Sunday. Dressage Seat Medal Semi-Finals classes must be held on Saturday or Sunday. Juniors and young riders' entries (horse/rider combinations) are limited to entry in only two championship classes, excluding freestyle.
 19. Except for freestyles, the FEI Junior Team Test, and FEI Young Rider Team test, championship classes at consecutive levels, for the same division, may not be held on the same day.
 20. Ribbons and prizes can be distributed prior to arrival at the awards ceremony. Award ceremony attendance is not mandatory. Riders should let show management know if they plan not to attend.
 21. All horses competing in Regional Championships classes must be stabled on the competition grounds and must remain on the grounds for the duration of their participation in the event, from the time of arrival until the horse has finished competing in all classes. If the horse has been found to have left the grounds, and returned, it would be eliminated from championship classes, but not in non-championship classes. (USEF DR127.8)
 22. For USEF/USDF freestyle championship classes, the competitor must provide the show with music for the freestyle. Acceptable formats/methods must be specified in the prize list. Formats must include CDs and/or digital files (MP3 and/or WAV.). Only one freestyle music per CD or digital file. All music must be submitted in the time frame specified in the prize list. Video files (MP4 or .mov) will not be accepted. Digital files must be sent and received electronically or on a thumb drive. Music should not be played via a competitor's cell phone, iPad, or any other personal mobile device. The competitor is required to bring a back-up copy (thumb drive or CD) with them to the competition. See also H.7.
 23. The test ridden for national level USEF/USDF championship classes will be the highest test of the level.

F. ADDITIONAL RULES AND REQUIREMENTS

1. Competition managers of USEF Dressage Competitions which hold USEF/USDF qualifying and/or championship classes are responsible to USEF for knowing and complying with all USEF rules and USDF guidelines regarding qualifying and/or championship classes. 3. Once an application to hold a USEF/USDF regional dressage championship has been submitted, no changes to date, facility, organizer, manager, or secretary may be made without prior notification and written consent of USDF with consultation with the respective Regional Director, when appropriate. In addition, USDF reserves the right to select an alternate host site and management if the facility, organizer, manager, or secretary named in the original host site application is changed without written permission from USDF.

10. Date applications may not use the name or title of a championship that has not been assigned to that licensed competition for the competition year named in the application. The fees are waived when a competition changes its name to include the title of a regional or national championship or when the name reverts back to its original name. Using the name or title of a championship that has not been assigned to that licensed competition during the same competition year is a violation of USEF rules. (GR706.1.p)
11. Copies of documents submitted by competitors to verify USEF and USDF membership and horse recording must be available to the TD in the competition office. (USEF DR127.2)

The \$15 qualifying fee will be sent to USDF from the show secretary along with the Report of Fees. All qualifying rides must be marked as such in the results. Exceptions: Competition Refund policy clearly states that these fees will be refunded to the competitor; or fees are reapplied to cover indebtedness to the competition not paid by the**

Separate ribbons or trophies are not awarded for Great American/USDF qualifying entries. Competitors in qualifying classes must not be placed separately from competitors not entered as qualifying.

Classes designated as Great American/USDF qualifying must be listed in the prize list, as follows:

EXAMPLE: Class 12. First Level Test 3 (Open and Great American/USDF qualifying)
Entry Fee: Normal Class Fee + \$15 (if Great American/USDF qualifying entry*)

* Eligible competitors must designate their entry as “Great American/USDF qualifying” on the entry blank and submit documentation to verify eligibility to enter the class. Except for CDI/CDI-Y entries, competitors in freestyle qualifying classes must submit a photocopy of a test, or copy of the USDF score verification, verifying eligibility to enter the class.

FEI-Recognized Competitions:

FEI classes at CDI/CDI-Y/CDI-J/CDI-P or USEF (High Performance) qualifying competitions must be designated as Great American/USDF qualifying in the prize list in order for classes to be counted as qualifying by USDF. Prior to riding in the class, riders must pay the \$15 qualifying fee to the competition secretary.

Reporting Results:

All horse/rider combinations entered in Great American/USDF qualifying classes should be clearly indicated.

The following information must be reported: qualifying class total points, percentages, judges, total points from each judge, rider, owner and horse names; USDF membership numbers for rider, owner, and horse.

USDF does not refund qualifying fees to competitions for any reason, including allowing tests to be ridden as qualifying without required memberships and horse registrations. You MUST check your entries carefully! Do not accept qualifying fees if the entry is not eligible OR if entry is made into a class that is NOT considered qualifying. Refunds may be made to affected competitors ONLY if competitions are in violation of USDF Policies and Procedures.

A fee will be assessed for the acceptance of qualifying ride fees from competitors in classes that are not correctly listed as Great American/USDF qualifying classes in the prize list and/or when an updated prize list pertaining to these classes is not sent to USDF. The amount of the fee is two times the class fee, plus two times the office fee, plus two times the qualifying fee for each horse/rider combination in each affected class. Half of each horse/rider combination fee collected will be paid to the affected horse owner by USDF. The USDF portion of the fee will be a maximum of \$300 per competition.

Horse/rider combinations must earn a total of two qualifying scores, which must be the average of all judges officiating in official Great American/USDF qualifying classes, at two different USEF-licensed/USDF recognized Dressage Competitions, from two different judges, or combination of judges. In addition, the same judge may not have officiated in classes from which qualifying scores are earned, unless the following conditions are met: A panel of judges will be considered as a different judging entity if 50 percent or more of that panel is changed (e.g. a panel of two judges must have one new person, a panel of three judges must have two new people and a panel of five judges must have three new people; exception, CDI panels exempt from this requirement. Scores earned where CDI panels officiate are eligible to be used for qualifying if there are no changes to the judging panel in two separate CDI competitions where both scores are earned).

Attention – Results MUST be submitted promptly, and for competitions that occur within a close time frame to any Regional Championship, results must be submitted as follows.

1. Competitions held two weeks prior to the Regional Championship closing date, must submit the results, fees and paperwork so that they are received in the USDF office within 7 days following the end of the competition.
2. Competitions held within the week prior to the Regional Championship closing date, must submit the results, fees and paperwork so that they are received in the USDF office within 4 days following the end of the competition.

The qualifying season will vary for each region. The season during which qualifying scores may be earned for a particular Regional Championship begins the day after the closing date of that region's previous year Championship, to the closing date of that region's current year Championship. The closing date for all Regional Championships will be the fourth Monday PRIOR to the competition.

(USEF DR127.2)

Special Notice:

Competitions are reminded that USEF rules require that competition managers of USEF Dressage Competitions which hold USEF/USDF qualifying and/or championship classes are responsible to USEF for knowing and complying with all USEF rules and USDF guidelines regarding qualifying and/or championship classes.

Technical Delegates for these competitions must investigate incidents of non-compliance and report violations to USEF. In addition, competitions will also be responsible to USEF to ensure that horses in qualifying classes are both USEF recorded and USDF Lifetime registered, and that rider and owner memberships are current as specified in the current championship requirements.

Copies of documents submitted by competitors to verify USEF and USDF membership and horse recording must be available the show office.

In the event a competitor is unable to produce copies of the USDF membership and/or LHR documents required to enter a qualifying class, a USDF membership affidavit may be completed and filed with the competition secretary. A fee of \$5 is required for each affidavit filed. A copy of the affidavit and the \$5 must be submitted to USDF. Affidavits will not be accepted for USDF membership or horse recording verification purposes for entry in championship classes.

Competitions are also reminded that USEF/USDF qualifying classes at ALL levels, including Training Level, MUST be held in a standard-size arena. USEF rules state that grass arenas are not recommended for qualifying classes, and if qualifying classes may be held on grass, this fact must be stated in the prize list.

Finally, please give careful consideration to the scheduling of judges for qualifying classes in multiple day shows. Riders need scores from different judges for their qualifying rides and too often shows are scheduling the same judges in the same qualifying tests on multiple days. The riders will appreciate you help in this matter.

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of individual members and over 100 independent organizations throughout the United States, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$90), 5-years (\$360), or life (\$1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan[®]/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program and the USDF Regional Schooling Show Awards Program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$35). Scores earned by a horse with an HID number will be recorded but will NOT be counted towards Adequan[®]/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$115) is eligible for Adequan[®]/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.
